## WEB NEWS

By far the most popular areas of the site are the photograph albums along with the discussion forum and chat room, although I still don't think that anyone has actually managed to chat online at the same time !! despite June and Susans many attempts.

I now have access to a scanner so if you have any more pictures you want to see published (or perhaps you have some that other folk wouldn't want published !) please let me have access to them.

Unfortunately the company who hosts the web site managed to delete it during the last week of November, I have now restored it all to its former state with one small exception the guest book, so if you have updated the guest book during November you may want to re-input your comments. Sorry about that.

During the six months we have been up and running we have had visitors from all over the world viewing the site, hopefully we have come across as a lively and entertaining club.

Future plans include a Carnoustie Theatre Club Screen Saver if anyone is interested.

For those of you who have not yet visited the site, our address is:- <http://www.dibbletree.f2s.com> and the user name for the members only area is dibble and the password is willow.

If you have any articles, information, news or views you would like to see published in "Sightline", then please let me know by e-mail ( [kce.simpson@tesco.net](mailto:kce.simpson@tesco.net)) or telephone (01241 411359).
