FIRST PANTO REHEARSAL

The first panto rehearsal for the entire cast will be on Monday 14th August 2006. Primary school children (Group 1) should be there for 6.00pm. We ask that a adult representative returns at 7.00pm for a short meeting. This is so that we can outline the current child protection guide-lines we have in place. These have been arrived at in conjunction with the S.C.D.A. and Angus Community Education Department. When this meeting is finished, Group 1 will be free to leave with their parents. All other members of the cast should be there from 7.30pm. Group 2 (S1, S2 & S3) will finish at 9.15pm and Group 3 (S4, S5, S6 and Adults) at 9.45pm

It is vital that you attend this rehearsal as important information will be given out, including details of the auditions for dancers. Please remember that you are expected to be present at every rehearsal. As before you will be expected to keep the week and weekend before the panto free for rehearsals. You may not be needed but you should be available. The "Panto" is a BIG commitment but it is also a lot of fun. If this could be a problem then please contact Karen Simpson (411359) or June Riddoch (853222). Subscriptions will also be due by this date and it is important that these are paid promptly, however if anyone has difficulties with this, then please contact Karen or Grant Wilson (855988) a.s.a.p. If we are made aware that there is a problem we may be able to arrange alternative arrangements for payment.

WANTED - Snow White's Seven Dwarfs!

Don't forget the "Dwarf"s Audition! This takes place on Saturday 12th August in the Dibble Tree Theatre at 9.30am (morning!) and is open to all panto chorus members who are under 5 feet tall! So if you are 9 or 90, male or female, come along to the audition. Just make sure you are under 5 feet tall! Remember you must be prepared to wear some or all of the following, wigs, face paints, masks and beards (spirit gum). Rehearsal days for dwarfs will consist of some Mondays and some Thursdays and you should be available when required. If this suits you, then come along and audition!

Congratulations to Andrew Simpson who after 8 weeks basic training with the Royal Navy, successfully "passed in" as a Naval Airman at HMS Raleigh on 23rd June 2006.

IMPORTANT CHANGES

As you will all be aware, postage costs have increased recently and are due to change again soon. Anyone who was present at the AGM will be aware of large amount of money spent on stamps, envelopes, paper, ink, and toner during the past year. Apart from the costs involved, there is also the question of using resources wisely. After discussion the committee have decided that where possible we will in future use email to distribute "Sightline". We are fully aware that not all our members have this facility, but we do ask that all of you who have access to email, remember to include their email address on their membership form.

Members will only have to print pages (i.e. booking forms etc) that they require and the amount of paper saved will be considerable. They are other advantages too! You will always know where to find you latest copy of "Sightline" If you take out family membership and you each have an email address, each member can be sent their own copy!

We hope that you will support us in this, but if you have any queries please do not hesitate to contact Karen (411359). If you do not have access to email you will continue to be sent "Sightline" in the traditional way. Thank you for your anticipated support!

"SEQUINED SUITS AND PLATFORM BOOTS"

This is the club's September production and it will take place in the Dibble Tree Theatre from Sunday 17th to Saturday 23rd September 2006. This is a slightly extended run which has been necessitated by the large number of applications from charitable organisations wishing to benefit from the club's decision to donate each nights profits. The charitable groups who have been chosen will each run the Front of House on their given night. This will give a further opportunity for fund raising and the chance to learn more about the individual charities. The charities chosen are as follows:- Sunday 17th -Panbride Youth Group, Monday 18th - Innes Wilson Trust, Tuesday 19th - Special Olympics, Wednesday 20th - Carnoustie Explorer Scouts, Thursday 21st - Carnoustie Walkers, Friday 22nd - Diabetes UK (Angus branch) and Saturday 23rd - Carnoustie & District Girl Guides.

The first part of the evening is a light hearted play about a middle aged man, Shakey Threwer, looking back on his life in the early seventies when he and his friends tried to form a "Glam Rock" band and reminiscing about his unrequited love for his best friend's girlfriend. The play is linked with music of that era... who could forget the Sweet, Slade, David Bowie and so on and so forth, with a bit of Donnie Osmond thrown in? The last part of the evening will be a selection of songs and dances from the seventies. So for a light hearted night out for all the family, start filling in those forms now! Advance booking forms are included with this mailing and as each of the charitable groups will also be provided with advance booking forms, tickets will be allocated on a first come first served basis.
