## HELP NEEDED

For the past year Carolyn Cheape has handled our tickets sales. Although not an onerous task, taken in conjunction with all the other work that Carolyn and David do for the club, it is one too many! Carolyn is keen to find someone who would be willing to take over the handling of the tickets. She would be more than happy to train and support anyone interested in the job. Whoever volunteers must be able to pop into the Fobel periodically to collect cash, and every night during the run of a production. If you think you might be interested or would like some extra information, please contact Carolyn (01241 856140) or Karen (01241 411359).

So, if you want to try your hand at production or know of an interesting play, please contact Muriel Gordon (01241 853946)

## PANTO PROPS

Janey White has props for this year's panto well in hand, but she is keen to find someone to help share the load! She particularly needs someone to help during the week of the show. So if this sounds like something you would like to get involved with, please contact Karen (01241 411359).

Janey is also looking for a very particular type of basket and would be very grateful if someone could lend or donate the following item! She requires a traditional over shoulder wicker fishing basket! If you have such an item we would love to hear from you!

If you have any articles, information, news or views you would like to see published in "Sightline", then please let me know by email (secretary@dibbletree.com) or telephone (01241 411359).
